

## Certificate of carbon neutrality

Groenbalans declares that

**WEPA Professional GmbH**

On production locations:

**WEPA Nederland B.V.**  
Boutestraat 125  
6071 JR Swalmen  
the Netherlands

**WEPA Hygieneprodukte GmbH**  
Rönkhauser Straße 26  
59757 Arnsberg  
Germany

By means of Gold Standard CO<sub>2</sub>-credits compensates emissions related to the use of gas and achieves carbon neutral production for BlackSatino during 2020.

Gold Standard CO<sub>2</sub>-credits are allocated to a specific Gold Standard project in Rwanda which reduces emissions and contributes to social-environmental improvements.

More information about these rights and the corresponding emission reductions and sustainable (energy) projects, are available on [www.groenbalans.nl](http://www.groenbalans.nl)
