

Certificate of carbon neutrality

Groenbalans declares that

WEPA Professional GmbH

On production locations:

WEPA Nederland B.V.	WEPA Hygieneprodukte GmbH
Boutestraat 125	Rönkhäuser Straße 26
6071 JR Swalmen	59757 Arnsberg
the Netherlands	Germany

By means of Gold Standard CO₂-credits compensates emissions related to the use of gas and achieves carbon neutral production for BlackSatino during 2020.

Gold Standard CO₂-credits are allocated to a specific Gold Standard project in Rwanda which reduces emissions and contributes to social-environmental improvements.

More information about these rights and the corresponding emission reductions and sustainable (energy) projects, are available on www.groenbalans.nl
